Oversight Guidelines for Supervisors and Transit Benefit Local Coordinators (TBLC)

Background

The DOI-NIGC's agencies/offices are responsible for verifying federal employees meet the requirements for participation in the transit benefit program as outlined in Executive Order 13150 *Federal Workforce Transportation*, April 21, 2000, and [DR 4080-811-4](#). This includes determining that employees are using mass transit for the bulk of their commute to work.

The DOI-NIGC Transit Benefit Program Policy and Guidance requires DOI-NIGC agencies / offices to establish Transit Benefit Local Coordinators (TBLC) for the National Capital Region and field offices.

- Transit Benefit Local Coordinators (TBLC) are responsible to communicate, coordinate, audit, and manage their agency transit benefit programs participants..
- TRANServe provides guidance and serves as the point of contact for Transit Benefit Program Administration only. Questions unique to the program policy or DOI-NIGC should be directed to your Bureau Transit Subsidy Program Coordinator, Renee Fox (Renee_Fox@nigc.gov).

Best Practices

To maintain integrity and program controls, Transit Benefit Local Coordinators and the Parking Office must conduct routine audits of transit benefit records.

Internal Controls include:

- A. Review monthly transit benefit billing reports for accuracy. The review should verify:
 1. Employees who have departed the agency are no longer receiving benefit. Cross check the transit benefit alphabetical listing with Human Resources records to ensure separated employees followed exit procedures and withdrew from the transit benefit program.
 2. Employees on extended travel or leave have not picked up a monthly benefit for the period they were not at their primary duty station. Employees on extended leave or travel for more than 60 days must de-enroll from the program.
 3. Employees who intermittently telework or drive should show a reduced amount of subsidy usage on the 6 month report. Note participants have 5 temporary parking days per month, but no more than 30 temporary parking days per year.
 4. Benefits and commute must be adjusted due to a change of address.
 5. Participants with a pickup record (monthly subsidy amount) over the monthly statutory limit are reported to the agencies/offices/program office.
 6. Participants with a pickup record (subsidy usage) frequently less than their requested monthly subsidy need to adjust their requested benefit to match their commuting records.
- B. Verify transit benefit applications disclose/provide all information required by the OMB Memorandum, M-07-15 such as:
 - Expense Worksheet

- The Employee's Home Address (including the street name)
- The Employee's Work Address (including the street name)
- **An Employee must commute using public transit at least 4 days per month in order to participate in the program.**

C. Enforce the use of electronic fare media where available

Monitoring Guidelines

- Check the monthly usage report for needed adjustments
 - Participants are expected to adjust their application when they do not use mass transit
 - i.e. When on leave or travel for more than half of their listed commuting days. When the participant is driving, carpooling, instead of taking public transit.
 - Participants are allotted 5 temporary parking days per month, but no more than 30 temporary parking days per year.
 - Participants are not permitted to hold any type of issued parking permit while enrolled in the transit subsidy benefit program.
- When there are no adjustments:
 - Talk to the participant...what is his/her work schedule?
 - Check the method of transportation ... i.e. if a monthly pass user commutes less than 50% of the commuting days listed on their application, they owe DOI-NIGC the value of the days they did not commute.
- When you believe adjustments should be made:
 - Check the participant's leave history (Contact participant Supervisor)
 - Check the participant's travel schedule (Contact participant Supervisor)
 - Request the participant's pickup records (subsidy usage) from TRANServe
 - Request proof of no parking permit from the DOI-NIGC Parking Log (On file in 1C100 for DOI-NIGC headquarters).

Important Note:

DOI-NIGC requires all Transit Benefit Program Participants recertify their transit benefit and complete Transit Benefit Integrity Awareness training annually utilizing the honor system. All Supervisors with Transit Subsidy Benefit Participants and program Local Coordinators must annually complete the Transit Benefit Integrity Awareness Training found in DOI Learn during the mandatory official program re-certification period.

All Transit Benefit Integrity Awareness training certificates should be submitted to the program Local Coordinator. The Local Coordinator will upload their participant and related supervisor training certificates to the official Transit Subsidy Program Sharepoint sight. Contact Renee Fox (Renee_Fox@nigc.gov) for the Sharepoint sight direct link.

Using The Proxy Feature

Special Instructions for Supervisors who delegate a Proxy that is NOT technically a Supervisor

- 1) To delegate approval authority to someone who technically is not a supervisor the Supervisor must submit a delegation of authority memorandum via email to Renee Fox (Renee_Fox@nigc.gov) for the record. (See example Appendix B).
- 2) Once the Program Office confirms the internal control it is authorized to elevate the delegated role to the person assigned on the memo. Then the actual Supervisor can assign their delegate as Proxy in the Electronic Transit Benefit Application System.
- 3) When the applicants select their Supervisor, they will select the authorized DOI-NIGC Supervisor and the Proxy will receive notification to approve the application on the supervisor's behalf. **The actual Supervisor is still the responsible party.** The proxy can perform the approval functions in the System.

How to add a Proxy:

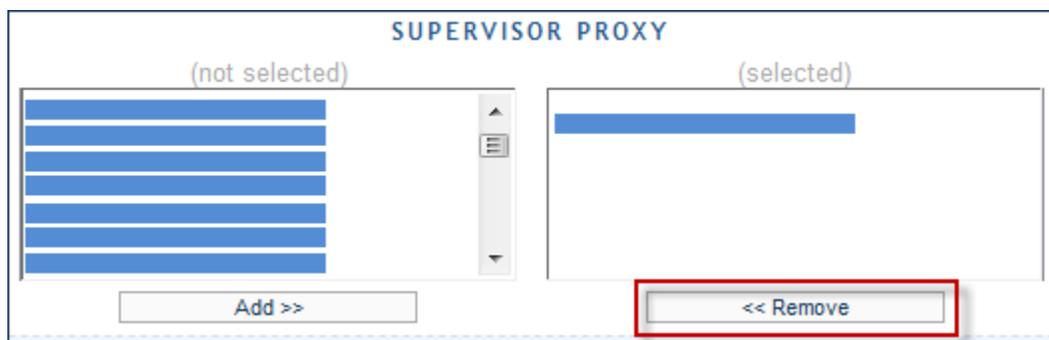

- 1) From the Home screen, click "My Account"
- 2) Click on your role
- 3) "Supervisor Proxy" or "Manager Proxy"

1. Select your designated Proxy from (not selected) list on the left
2. Click “Add” to move name to (selected) box.
3. Click “Update” to save the change

Reverse to remove a Proxy:

1. Chose the name
2. Click “Remove” to return name to the (not selected) box.
3. Click “Update” to save the change
4. Note: The Proxy must register (create a username and password) into the system first in order for their name to appear.

Sample: Delegation of Authority Memorandum for the Record

Employee completes the Memo for the Record (MFR) on their own letterhead, signs it, and submits it to Renee Fox at Renee.Fox@nigc.gov as an official record in the case of an audit.

Please note, there are special instructions for Employees without a DOI-NIGC E-mail Address

Q. 1

How does an Employee with no DOI-NIGC email address register in the Electronic Transit Benefit Application System?

A.1

An Employee without a DOI-NIGC email address must complete a hard copy version of the Transit Application Forms and the required DOI Learn training certificate and submit the documents to their TBLC. The TBLC then submits a spreadsheet to DOT/TRANServe in order to enroll the participant

Q.2

Why am I not getting emails to approve transit benefit applications?

A.2

Check your Junk/Spam Folders. Your email account may be identifying notifications as SPAM. Check your Junk/Spam folders for an email from "PTB Public Website Administrator". The subject will be something like: "1 Transit Benefit Application(s) is awaiting approval"Keep checking your email or your Approval Queues or correct the Junk/Spam Folder rule.

To correct the " Junk/Spam E-mail" folder:

- 1) Right click on the emails from "PTB Public Website Administrator"
- 2) Select "Not Spam"

Q.3

Why can't I find a name with an apostrophe? Example "Nathan O'Donnell?"

A.3

Any name normally containing an apostrophe must be spelled out without it. For example: Nathan **ODonnell**.

Q. 4 Why can't I complete Registration? I am getting an error to enter "Agency/Mode." This field is not auto-filling.

A. 4 Check the Username entry. You must enter your DOI-NIGC email address in the Username field. Once you enter your DOI-NIGC email address and tab to the next field, the Agency/Mode field will automatically populate with the correct data for your agency.
